CESA Program Product List

The following document provides a list of product categories and examples of products captured by the CESA small appliance recycling program. The program began with categories 1-11 on October 1, 2011 and expanded to include categories 12-17 on July 1, 2012. For details on the CESA program, please refer to www.electrorecycle.ca. Environmentally Handling Fees (EHFs) for each product category can be found in the summary table below, as well as throughout the product list. Please email info@cesarecycling.ca for any further questions or comments.

Product Category	EHF Per Unit October 1, 2018
